Vineyard Hill Value Wines

This Cab-Merlot blend was produced as part of Casa Larga's new line of value wines under the brand name "Vineyard Hill". This line was developed in response to great customer demand for high quality varietal wines available in value sizes. Other Vineyard Hill wines include Vineyard Hill Chardonnay, a crisp, un-oaked chardonnay, and Vineyard Hill Riesling, a semi-sweet, light and crisp Riesling.

The Vineyard Hill line will be available to retailers and restaurants through the Opici Wines of New York, beginning in May 2009.
